The Monroe Consolidated School opened on September 5th, 1951, with an enrollment of 69. There were also 28 pupils enrolled in secondary schools, 26 of whom were at McIndoes Academy.

The administration of the school continues under the excellent leadership of Principal Warren Nye, who was fortunate in having the same staff of instructors return for the new school year. A continuous turnover of teachers is detrimental to the morale of any school system, and more particularly so at the elementary level.

Mrs. Muriel LaMott of Haverhill replaced Miss Latulippe as school nurse for the district.

The excellent physical condition of the plant is due, not only to the diligence and efficiency of the custodian, Mr. Gibson, but also to the continued interest of the school board in planning for the redecorating and upkeep of the building. This careful planning makes for a happier, more efficiently operated school system and assures the desired result of well-developed students, both mentally and physically.

For this cooperative effort, not only on the part of the instructional staff and the school board members individually, but from the citizens as well, I wish to sincerely express appreciation and thanks.

Respectfully submitted,

Monroe, N. H.
